**Dear Mr. Chertoff
THIS VALENTINE'S DAY
GIVE THE GIFT OF LOVE TO THE CHILDREN
STOP THE RAIDS**

- ◆ As a country that claims to promote and defend human rights in the US and around the world and to value the integrity of the family, our government should:
- ◆ Ensure the human rights of all people and that immigrant families are not breaking apart.
- ◆ **Stop breaking civil right of immigrants, to enforce immigrations laws.**
- ◆ No-one should be awakened by armed squads bursting into their homes in the dead of night with shotguns and automatic weapons drawn taking away parents and relatives leaving children alone.
- ◆ No child should be abandoned because ICE took their parent while at work.
- ◆ We have to speak up because if it were happening to us we would want others to speak out.
- ◆ Let local authorities enforce criminal laws

Left with out her father as he was taken away in the raids on September 24 in Long Island. Crying and hugging her father begging immigration police: "do not brake the arm of my father, do not take him away". She still asks her mother when her father will come back.

ALTO A LAS REDADAS !!!

ESTE JUEVES 14 DE FEBRERO DEL 2008

LLAME A: MICHAEL CHERTOFF

SECRETARIO DE SEGURIDAD NACIONAL Y DIGALE:

Tel 202 282-8000 Operador, 202 282-8495, Fax 202 282-8401

Estimado Sr. Chertoff

ESTE DIA DEL AMOR Y LA AMISTSAD

DELE UN REGALO DE AMOR A LOS NINOS

PARE LAS REDADAS CONTRA LOS INMIGRANTES

Como un pais que promueve y defiende los derechos humanos en los Estados Unidos y en todo el mundo, y que valora la integridad de la familia, nuestro gobierno deberia:

- ◆ Asegurar los derechos humanos de nuestro pueblo, y que las familias inmigrantes no sean separadas
- ◆ **Parar la violacion de los derechos civiles, para enforcing las leyes de inmigracion**
- ◆ Dejar que las autoridades locales enforcen las leyes criminales
- ◆ A nadie se le deberia interrumpir sus horas de sueno por escuadrones armados entrando violentamente en la oscuridad de la madrugada, portando y apuntando armas de fuego y de asalto, para llevarse a familiares y padres de muchos ninos, sin importar que estos quedan solos.
- ◆ Ningun nino deberia quedar en el abandono porque inmigracion se llevo a sus padres mientras trabajaban.

Tenemos que hablar, porque si nos pasara a nosotros, nos gustaria que otros hablaran tambien
